The course is developed and facilitated by the SeaChange Resources Team. SeaChange Resources has been in the field of leadership development for over 20 years, working with a broad range of organizations including corporations, universities, nonprofits and government agencies.

You will meet with your Facilitator via Zoom for each of the five facilitated live virtual workshops.

## WHAT DOES THE COURSEWORK INCLUDE?

The course work includes interactive video lectures, application assignments, whole cohort discussions, and peer coaching & feedback.

The course is hosted on Canvas, an online learning platform used by educational institutions globally. You will be provided a username and password, granting you access to the course and course materials.

## DOES IT MATTER IF I DO ALL THE COURSEWORK AT ONCE OR AT DIFFERENT INTERVALS OVER THE WEEK?

Ideally, allow yourself some soak time between modules. Powering through four modules at once will detract from your ability to reflect on and apply the tools.
